You are looking for a new career. You want an exciting and rewarding profession that invokes your creativity. You desire to be part of an industry that is synonymous with fashion and innovation. Being one of the best is paramount.....choose the right cosmetology school that will prepare you for this incredible journey.

Creative precision lies at the heart of *Statements The Academy*, and it is this dedication that will drive us to introduce the most qualified graduates to the cosmetology industry . It is our relentless pursuit to refine techniques and discover the latest innovations that makes us the only choice for you. Whether you desire to amaze with revolutionary looks or personalize ageless classics, you will have all you need to interpret your own style and create your own signature looks. Learn how to deliver hair that has structure and movement, where the cut and color integrate in a harmony of shape and balance.

Your exclusive education at *Statements the Academy*, will blend the best of both worlds. You will have the structure of a classroom environment combined with hands-on experience in a professional salon. This will ensure you the most comprehensive education to launch your career with confidence. Our students are ready to step into a vibrant and exhilarating industry with no fear.

We believe in 4 key elements that shape the foundation of your education:

- 1 Be Inspired...**  
Take your life to a new height. Chase your dreams. *Be inspired* by the unlimited possibilities to explore your artistic ideas and adapt them into your own masterpieces.
- 2 Be Challenged...**  
Dare to be fearless. *Challenge* yourself continuously. Have the courage to push yourself beyond what you thought was possible.
- 3 Be Knowledgeable...**  
Learn from and train with the best. Strive to always know more. Have the confidence that the *knowledge* gained will prepare you for all the beauty industry has to offer.
- 4 Be Successful...**  
Be proud of all you have achieved. Reward your hard work. Begin your new career in cosmetology armed with all the tools you will need to *be successful*.

*Statements The Academy* isn't just teaching you how to be a hairdresser. Your education will encompass many different aspects that will prepare you for your independence.

STA will teach the mastery of skills required for the state board exam while emphasizing the latest techniques and trends the clients demand. You will stay on the cutting edge of the hottest fashion trends. You will learn interpersonal skills that will boost your retail sales and expand your client base exponentially. Your cosmetology education will absolutely be unmatched.
